## ARTICLE 1 - PURPOSE

**Ellicottville Ski Club, Inc.** is a New York state not-for-profit corporation established for the primary purpose of:

- 1) Providing social and athletic activities for club members and their guests
- 2) Promoting the advancement and improvement of the sport of skiing and other winter sports, scheduling ski competitions, and promoting good fellowship among skiers.

## ARTICLE 2 - MEMBERSHIP

**Section 1.** - **Classes of Members.** The members of the club shall be divided into three (3) principal classes, General, Honorary, Non-Resident. As of September 1, 1997, a husband and wife who are currently members of the club shall each be deemed to be a member (general, honorary or non-resident) as the case may be, under Article 2, Sections 2, 3 and 4.

**Section 2.** - **General Members.** Any person shall be eligible for General Membership. A husband and wife when making application must each apply for general membership. In the case of a married couple, both must be general members in order for their children under the age of 21 to have the privileges of the club, and spouse to have club privileges. The number of general members may be limited by The Board of Directors.

**Section 3.** - **Honorary Members.** Any member may become an Honorary Member, upon written application to the Board of Directors, if that member (i) is at least seventy five (75) years old and (ii) has been a member in good standing for at least twenty five (25) years; provided, however, that any member who would be at least seventy (70) years old on or before December 1, 2006 and has been a member in good standing for at least twenty five (25) years as of that date may be granted Honorary Membership status, upon written application to the Board of Directors, if that member's application is received not later than December 1, 2006. Honorary Members shall enjoy all rights and privileges of General Members, except they that cannot be elected to the Board of Directors and cannot vote at any meeting of the members. Anything herein to the contrary notwithstanding, Honorary Members shall not be required to pay any assessments levied with respect to the 2006 renovation of the Clubhouse.

**Section 4.** - **Non-Resident Members.** A non-resident member shall be any member who has first applied for and been admitted as a general member and paid the initiation fee required pursuant to Article 4, Section 1 of the By-laws, is in good standing as a general member, and whose application for designation as a non-resident member

is approved by the Board of Directors. Non-Resident members must live at least 300 miles distant from Ellicottville and not own a temporary residence in or around Ellicottville. A non-resident member cannot vote at any general meeting and cannot stand for election to the Board of Directors. Upon return to residence within 300 miles of Ellicottville, said member's dues shall revert to prevailing general dues. Anything herein to the contrary notwithstanding, Non-Resident members shall not be required to pay any assessments levied with respect to the 2006 renovation of the Clubhouse

**Section 5.** - **Voting.** Only general members in good standing shall be entitled to vote at a meeting of members.

**Section 6.** - **Initiation Fees and Dues.** All members shall, upon admission, pay such initiation fees as are established by a two-thirds vote of the Board of Directors. The annual dues of members shall be established at any annual business meeting of members or at any special meeting of members called for that purpose.

**Section 7.** - **Discipline.** Any member or immediate family whose conduct shall, in the sole discretion of the Board of Directors, be deemed to adversely affect or be likely to adversely affect the welfare or well-being of the club or its members, or whose continuance as a member shall be deemed objectionable, shall, after being given the opportunity to appear before the Board to discuss the basis for the complaint, lose membership in the club or be otherwise subject to disciplinary action upon affirmative vote of three-fourths of the entire Board.

### **ARTICLE 3 - MEETINGS OF MEMBERS** **\* amended as of October 8, 2022**

**Section 1.** - **Annual meetings of members.** A meeting of Members shall be held for the election of Directors and the transaction of other business between September 1 and December 31 of each year on the specific date, time, and place determined and fixed by the Board of Directors or by the President (the Annual Meeting). The Secretary shall transmit to each Member, by way of electronic communication, a written notice of Special Meeting within ten (10) days after the Secretary's receipt of the request.

**Section 3.** **Participation in meetings.** The Board of Directors, in its sole discretion, may determine that the meetings of Members be held partially or entirely by means of electronic communication. If the meeting is held solely by means of electronic communication, the electronic service or platform utilized shall be deemed to be the "place" of the meeting. If the meeting is held partially by means of electronic communication, those General Members or their proxies, participating by electronic means shall be deemed to be present at the meeting "in person." Any meeting held by means of electronic communication shall include reasonable measures:

- a. To verify that each person participating electronically is a General Member or a proxy of a General Member;
- b. and
- c. Record and maintain a record of any votes or other actions taken by electronic communication at the meeting.

**Section 4.** **Qualification of voters.** Every General Member of record of the Club, in good standing, shall be entitled at every meeting of Members to one (1) vote. **Section 5.** **Quorum.** At least one-third (1/3) of the General Members in good standing must be present (in person or by proxy) to constitute a quorum for the transaction of any business at a Member meeting. When a quorum is once present, it is not broken by the subsequent withdrawal of any Member nor by an adjournment of the meeting. If a quorum is not present at a Member Meeting, the Members present may adjourn the meeting to another time, date, and place. Notice of the adjourned meeting shall be transmitted to all Members by electronic communication no less than ten (10) and no more than thirty (30) days before the adjourned date.

**Section 6.** **Voting.** Except for the election of Directors and as may otherwise be required by law, the majority of the General Members present (in person or by proxy) shall constitute action by the Members. Directors shall be elected by a plurality of the votes cast at the Annual Meeting.

**Section 7.** **Proxies.** Every General Member entitled to vote at a meeting of Members may authorize another person or persons to act for such General Member by proxy. Proxies shall be in a form approved or provided by the Board of Directors. Every proxy must be authorized by the General Member or the General Member's attorney-in-fact. No proxy shall be valid after the expiration of eleven (11) months from the date thereof unless otherwise provided in the proxy. Every proxy shall be revocable at the pleasure of the General Member who executed it, except as otherwise provided by law. Proxies may be provided in writing or by means of electronic communication provided that the transmission of the proxy includes information from which the recipient can reasonably determine that the transmission was authorized by the individual submitting the proxy. Proxies are not assignable.

**Section 9.** - **Interpretation.** The interpretation of the Constitution, By-Laws, and rules of the club and their enforcement shall rest with the Board of Directors.

**Section 10.** - No monies in excess of \$20,000 for any one project or expense, unless deemed an emergency expense relating to the functionality of the club or the safety of the members, will be authorized to be expended by the Board of Directors without a vote by the general membership. A meeting of the general members shall be called by the President to vote on the proposed project or expenditure, a description of which shall accompany the meeting notice. A Vote of a majority of the general members present at the meeting, who are eligible to vote, shall be necessary to authorize such project or expenditure, provided that the affirmative votes cast in favor of such action shall at least equal a quorum.
